

Wash Your Hands

(To the tune of: Row, Row, Row Your Boat)

Wash, wash, wash your hands

Wash them nice and clean

This is how we wash our hands

You'll know what I mean!

First turn the water on

Run your hands underneath

Put some soap in your hands

Scrub them and sing

Wash wash wash your hands

Wash them nice and clean

This is how we wash our hands

You'll know what I mean! (2x)

When you're hands are nice and clean

Rinse off all the soap

It's time to turn the water off

My hands are clean I know!

Use the paper towel

To dry off your hands

Throw the towel in the garbage

And that is the end!
