

Can You Be a Sunbeam?

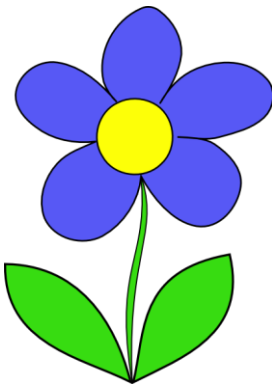

I can be a sunbeam!

Raise your hands
above your head and
wave them like sun
rays.

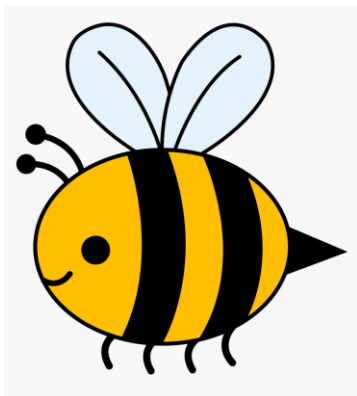

I can be a raindrop!

Tap your fingers
lightly on your legs
like rain.

I can be a flower!

Go low to the ground
then slowly rise up
like a flower
blooming.

I can be a buzzing
bee!

Try to say the word
"buzz" and move
your arms like wings.
