

The Autumn Leaf Shuffle

**Move those feet
and start to prance.
Let us do
an autumn dance.**

**Tap your toes
upon the ground
when a bunch
of leaves are found.**

**Shuffle left;
then shuffle right.
Crunch those leaves
with all your might.**

**Toss a few
into the air.
Skip around;
let people stare.**

**Shuffle step
and jump with me,
as we dance
around the tree.**
